

Mayor's Message for Burnie City News

By Mayor Alwyn Boyd

13 July 2010

The latest Marist production "Back to the Eighties" was another great success for the school. It is so encouraging to see the scope of talent that our Burnie residents have.

The memories & relationships that are formed during these productions can last a lifetime, and I would like to congratulate everyone involved in making the production such an enjoyable evening.

Be sure to check out the fantastic new "Discover Burnie" website at www.discoverburnie.net – it's a great place to look at what Burnie has to offer. It has everything from restaurants to accommodation to wildlife, and will be a great reference point for not only visitors to the region but also residents - you may even learn a thing or two about the city you didn't know!

The website is already a valuable asset to the City – be sure to check it out!

Council's next ordinary meeting will be held next Tuesday, 20 August. Agendas can be found online at www.burnie.net from Friday.
