

Mayor's Message for Burnie City News

By Mayor Alwyn Boyd

1 June 2010

An international film festival just for kids is coming to the Burnie Arts & Function Centre for the June school holidays.

On Monday June 7, the Little Big Shots travelling film festival will showcase an inspiring collection of films from across the globe. The program caters for three different age groups: ages 2-5, 4-10 and 8-18.

The films screening will inspire discussion of world cultures, different languages, cultural diversity, emotional intelligence and human values. They're also perfect for making kids laugh, think and create.

Screenings will be held at 11am for ages 2-5, followed by 2pm for ages 4-10 and finishing with 4pm for ages 8-18. Cost is \$5 per ticket or you can buy a subscription package for all three programs for \$12.

For more information visit www.burniearts.net or call (03) 6430 5850.

The winners of Burnie City Council's Paper Clothing Competition will be announced this Friday at the Makers' Workshop. There are three categories which will be judged – Best Individual Design, Best Group Design and Best Futuristic Design. Last year we received fantastic entries to this competition, and this year we're seeing the same level of superb entries.

All entries will be on display at the Makers' Workshop throughout June, so be sure to call in for a look.
