1 PURPOSE

Council must develop and implement a Dog Management Policy detailing how it will provide dog management within the Burnie municipal district in accordance with the requirements of the *Dog Control Act 2000*.

Council recognises dog ownership for assistance, companionship or business reasons is an established and constructive part of life for many people in the Burnie community.

The *Dog Control Act 2000* provides a regulatory framework for balancing the rights and responsibilities of dog owners against the rights and expectations of the community at large to be free from likely risk of threat, harm and nuisance caused by dogs.

The *Dog Control Act 2000* makes a dog owner responsible for the actions and behaviour of their dog, and creates a number of obligations on the owner to register and control that dog. A failure to satisfy such obligations may be an offence.

The *Dog Control Act 2000* appoints a Council as the principle authority for ensuring dogs are not a threat to the health and safety of the community within its municipal district.

The Act requires that each Council must provide information to its community to assist responsible dog ownership.

A Council must take all reasonable measures to enforce compliance to the requirements of the Act and to remedy any known breach.

2 OBJECTIVE

The objective of the Dog Management Policy is to provide an operational framework for the actions necessary to meet the Council's statutory obligations and responsibilities to ensure dog ownership within the municipality –

- a) minimises likely risk of threat of harm to the amenity and safety of the community; and
- b) facilitates the pleasures and benefits of dog ownership in a responsible and harmonious manner

3 SCOPE

The Dog Management Policy will -

- a) provide information on responsible dog ownership;
- b) assist administration and enforcement of compliance to the *Dog Control Act 2000*;
- c) identify areas for exercise of dogs;

- d) identify areas where dogs are restricted or prohibited;
- e) identify the fees and charges to be applied to assist with funding of dog management responsibilities; and
- f) identify the Burnie City Council's approach to dog management and control.

4 POLICY

4.1 Code of Responsible Dog Ownership

Responsible dog ownership requires the owner of a dog or the person responsible for a dog within the meaning of section 7 of the Act must accept full responsibility for meeting all the care and attention needs of a dog and for ensuring the dog does not become a threat or nuisance to the safety or welfare of any other person or animal.

The Code for Responsible Dog Ownership is advisory, and does not replace any obligation under any law relating to the ownership or care of an animal.

Compliance to the Code will assist to increase the enjoyment from owning a dog, and will enable other persons to equally enjoy being a resident or visitor to Burnie.

Responsible dog ownership requires a person –

- a) Select a breed and temperament of dog that meets their personal needs and that is best suited to the nature of their budget, lifestyle, household composition, and the premises and location where the owner lives.

The Act identifies certain breeds to be *restricted breeds*; and requires specific additional control and management measures must be applied for dogs of these breeds.

The following are restricted breeds –

- i) *dogo Argentino*;
- ii) *fila Brasileiro*;
- iii) *Japanese tosa*;
- iv) *American pit bull terrier or pit bull terrier*;
- v) *Perro de Presa Canario or Presa Canario*;
- vi) any other breed, kind or description of dog whose importation into Australia is prohibited by or under the *Customs Act 1901* of the Commonwealth.

- b) Provide a dog with proper health care and attention, sufficient exercise, appropriate training, and with adequate food, water and shelter.
- c) Acquire and apply adequate knowledge of the requirements for proper care and management of a dog.

The RSPCA, Tasmanian Canine Defence League, veterinary practitioners, and training and kennel organisations are good sources of information of how to keep a dog safe, happy and healthy.

- d) Register a dog with the council when it reaches six months of age, and renew the registration annually

The Council must be informed of any change in ownership or address of the dog, and of the loss or the death of a dog.

- e) Micro-chip a dog with an approved microchip and provide the details required by Regulation 3A before it reaches six months of age.
- f) Obtain a kennel license if more than 2 dogs or more than 4 working dogs are kept on a property.
- g) Make sure a dog is wearing a collar and a registration disc whenever in a public place.
- h) Recognise that not all people like or feel comfortable with dogs, and that such people have a right not to feel threatened or inconvenienced by a dog.
- i) Keep a dog under effective control at all times.

The premises at which a dog lives must be adequately fenced or an enclosure provided to prevent the dog from wandering onto other property, a road, or any other public or private place.

A dog must be on a lead and in the care of a responsible person when on any road or footpath or in a Council reserve, unless the Reserve is a declared dog exercise area.

A dog must respond immediately to commands if not on a lead when in a declared free-run dog exercise area.

Particular requirements apply for identification and control of guard dogs, and any dog declared under the Act to be a dangerous dog.

- j) Make sure a dog is not in a place where a dog is prohibited, including in a school or playground.
- k) Immediately clean-up any mess, including faeces, caused by a dog in a public place.
- l) Make sure a dog does not create a nuisance to any person by persistent or loud barking or by behaving in a manner that causes inconvenience or interference to another person's peace,

comfort or enjoyment of any place or premises, including by chasing any person, animal, car or bicycle.

- m) Make sure a dog is not allowed, encouraged or provoked to threaten, attack, harass, endanger or otherwise cause apprehension or distress to any person or to any agricultural, domestic or native animal when in a public place or to any person having business on your property.
- n) Acknowledge the Burnie City Council has authority to require compliance to the standards and regulations for responsible dog ownership, and that the Council may be required to take action against an owner or a dog under the *Dog Control Act 2000* for any breach of a regulatory requirement.
- o) Comply with the requirements of the *Dog Control Act 2000* and with any declaration or direction of an authorized person with respect to a dog; and
- p) Comply with any other legislative requirement relating to the care or treatment of an animal and to the protection of the safety and convenience of the community, including the *Animal Welfare Act 1993*.

4.2 Declared Areas

Council may declared areas within its municipal district and under its care, control or management to be locations where –

- (a) a dog may exercise without being on a lead; and
- (b) a dog is restricted or prohibited.

Declaration must be made in accordance with requirements of the *Dog Control Act 2000* following a period of community consultation and consideration of comments.

Declared areas to restrict or prohibit dogs do not apply for a guide dog or a hearing dog as defined by the *Guide Dogs and Hearing Dogs Act 1967* or for a dog training to be a guide dog or a hearing dog.

The Council has made the following declarations in accordance with the *Dog Control Act 2000* –

a) Dog Exercise Areas

Dog Exercise Areas are for the exercise or training of dogs at sites reasonably accessible to dog owners and in locations attractive to use by dog owners and where conflict with other users and values can be minimised.

Dog Exercise Areas are shown on the map attached to this Policy.

- e) Fees are to be reviewed annually against CPI movements for the preceding 12 months, and will be set in conjunction with the adoption of fees and charges in the annual Council Budget process;
- f) Discounts are to apply for sterilised dogs to encourage responsible dog ownership.

Proof of sterilization or micro-chipping must be provided from a registered veterinary surgeon or accredited person;

- g) A higher fee is to apply for a dog declared or deemed under the Act to be a *dangerous dog*;
- h) A discount on the registration fee may apply for registration of a whole dog within 28 days from the date of the annual notice of a requirement to register a dog
- i) Registration fees do not apply for guide and hearing dogs.

Proof of status is required to accompany an application to register a dog;

- j) A replacement registration tag fee is to apply for transfer of a dog currently registered within another municipal district;
- k) A pro-rata payment is to apply for a new dog registration made after the annual renewal or registration period, such fee to be reduced by 25% for each 3-months elapsed from the annual renewal date;
- l) A dog owner is responsible for the costs associated with seizure of a dog;
- m) A dog owner is responsible for the costs associated with detention of that dog at the Council pound;

The fee for detention of a dog at the Council pound is that fee as is from time to time set by the Canine Defence League (operating as Dogs Homes Tasmania), and must be paid to the pound prior to release of the dog;

- n) A fee in addition to the dog registration fee for each dog applies for a kennel licence;
- o) A fee may be applied for the making of a complaint alleging the existence of a nuisance under Section 47 of the Act; and
- p) Council may provide a discount registration fee to persons holding a pension card of a kind creating eligibility for a rebate on Council rates

4.4 Dog Management and Control

In order to meet its responsibilities under the *Dog Control Act 2000* the Council will –

- i) Make sure all staff responsible for the seizure and handling of dogs receive relevant training in the safe handling of dogs and execute their duties in a manner that causes minimum distress and avoids harm to a dog;
- j) Approve and resource patrols for the purposes of monitoring compliance and for engaging with the community to achieve a consistently high standard of performance in responsible dog ownership;
- k) Provide as a minimum an after-hours dog management capacity to respond in situations where there is an actual harm or immediate threat of harm to a person or animal;
- l) Consider in accordance with the allocation priorities of the Council the provision of resources to allow the conduct of patrols during daylight hours on weekdays before and after Council's normal hours of business and on weekends and public holidays for the purposes of monitoring compliance and for engaging with the community to achieve a reasonable level of compliance to responsible dog ownership;
- m) Contract the Canine Defence League (operating as Dogs Homes Tasmania) to provide and operate its premises at Stowport Road as a pound in accordance with the *Local Government Act 1993* for the purposes of detaining any dog seized or held under provisions of the *Dog Control Act 2000*;
- n) Make sure the pound is maintained and operated in a humane manner with proper regard to health, safety and welfare of all dogs in detention, including by the provision of food, water and shelter, and veterinary attention as required;
- o) Make all attempts to contact the owner of a dog seized for being at large within the statutory detention period;
- p) Dispose of an unclaimed dog to the Canine Defence League at conclusion of the statutory detention period in accordance with provisions of the *Dog Control Act 2000*.

The Council will require the Canine Defence League make all reasonable endeavour to re-home abandoned dogs.

If re-homing is not appropriate or possible, a dog may be euthanised by a registered veterinary surgeon at the discretion of the League.
